About Astec LifeSciences:

Astec LifeSciences is engaged in the manufacture and sale of agrochemical active ingredients (technical), bulk and formulations, and intermediate products. With over two decades of experience in development and production of select chemicals, Astec has forged enduring relationships with its customers all over the world. The company sells its products in India as well as exports them to approximately 24 countries.

In August 2015, erstwhile promoters of Astec LifeSciences sold 45.29% of its paid-up equity shares to Godrej Agrovet. As on March 2021, Godrej Agrovet holds 62.33% stake in the company.
